PROFESSIONAL SUMMARY

Detail-oriented and results-driven **Frontend Developer** with expertise in **Next.js, Vue.js, React, Threejs, TypeScript, JavaScript, and Tailwind CSS**, complemented by a strong background in **IT administration and technical support**. Proven ability to translate design concepts into user-friendly, scalable web solutions while collaborating effectively with cross-functional teams. Holds a **Bachelor's degree in Computer Engineering** and possesses excellent interpersonal, problem-solving, and communication skills. Fluent in English (written and spoken).

TECHNICAL SKILLS

- **Frontend Development:** Next.js, Vue.js, TypeScript, Threejs, JavaScript, Tailwind CSS, Shadcn UI

- **UI/UX Design:** Responsive design, accessible interfaces, component-based architecture

- **API Integration:** RESTful APIs, state management, backend-frontend communication

- **Testing & Debugging:** Test-Driven Development (TDD), Jest

- **Version Control:** Git, GitHub/GitLab

- **IT Administration:** System maintenance, software updates, network security, inventory management

- **Tools:** Atlassian, 1Password, Google Workspace

PROFESSIONAL EXPERIENCE

Frontend Developer

Weeshr App | *Remote* | *Dec 2022 – Present*

- Collaborated with UX/UI designers to create responsive, visually appealing user interfaces, ensuring seamless integration with backend systems.

- Developed the **Next.js-based client-facing application** using **TypeScript** and **Shadcn UI**

- enhancing user experience and maintaining design consistency.

- Built the **Vue.js-based admin dashboard** with **TypeScript**, leveraging Shadcn UI

- for streamlined UI components and improved maintainability.

- Integrated and optimized APIs for efficient data fetching and state management, ensuring smooth communication between frontend and backend systems.

- Implemented **Test-Driven Development (TDD)** practices using **Jest**, reducing debugging time by **40%** and improving overall development efficiency.

- Delivered solutions adhering to modern web standards, enhancing cross-browser compatibility and accessibility.

IT Expert

Federal Ministry of Mines and Steels | *Ikolaba, Oyo State* | *April 2023 – March 2024*

- Installed and configured computer systems, ensuring seamless functionality and user satisfaction.

- Diagnosed and resolved software, networking, and hardware issues, achieving high levels of customer satisfaction.

- Conducted regular software updates for antivirus, Windows, and MS-Office applications, ensuring system security and performance.

- Configured and managed firewalls, enforcing security policies to safeguard network integrity.

- Managed IT asset inventory, including laptops, keyboards, mice, and chargers, maintaining detailed records.

- Performed preventive and corrective maintenance on network systems, including switches, wireless APs, and firewalls.

- Collaborated with the inverter team to resolve power supply issues, ensuring uninterrupted operations.

IT Expert

Nigeria Airspace Management Agency (NAMA) | *Akure, Ondo State* | *April 2021 – Oct 2022*

- Managed IT software inventory, tracking usability and obsolescence for proactive maintenance.

- Documented IT procedures, user manuals, and knowledge base articles, improving accessibility and understanding.

- Supported data backup and recovery procedures, ensuring data integrity and availability.

- Maintained and monitored CCTV systems, biometric terminals, and VoIP phones, ensuring optimal performance and security.

- Assisted in IT-related procurement processes, obtaining quotes and making purchases.

Frontend Developer (Project)

Federal University Oye-Ekiti (FUOYE) | *Ekiti, Nigeria* | *2022 – 2023*

- Developed a **remote surveillance camera website** for automated examination supervision.

- Utilized **HTML, CSS, and JavaScript** to create contemporary and user-friendly interfaces.

- Adapted to evolving project specifications and technological advancements, ensuring alignment with deadlines and requirements.

EDUCATION

Bachelor of Engineering in Computer Engineering
Federal University Oye-Ekiti (FUOYE) | *Oye-Ekiti, Nigeria | Sept 2016 – Jan 2023*

CERTIFICATIONS

- **National Youth Service Corps (NYSC)** | *Oyo State | 2024*

PROJECTS
